

# Why Choose Waste King Gourmet Disposers?

## The Best & Longest Warranties in the Industry:

Our commitment to Quality quality is backed by the longest In-Home warranties.

## Removable Splash Guard:

Removable splash guard aids in internal inspection and can be cleaned, unlike the competition's old style "fixed" splash guard.

## Fast and Easy Mounting System:

Precision engineered five piece system designed to be fast and easy.

## Vortex Powered, Permanent Magnet Motor:

This energy efficient, high speed motor liquifies food waste like a blender. The motor produces more power per pound than any of the competition and virtually eliminates jamming.

## Less Jamming/No Jam Wrench Necessary:

Exclusive 180° Stainless Steel swivel impellers reduce jamming and won't leave your customer stuck searching for the jam wrench.

## Corrosion Proof Grinding Chamber:

Grind Chamber constructed with the proven durability of glass filled nylon for long lasting performance. Eliminates "Dishwasher Connection Rot".

## Front Mounted Reset Button:

You will never need to search for the reset button. It's easy to locate and to engage.

## for Properly Sized Systems:

Let's Set the Record Straight.  
All Disposers Are Safe For Properly  
Sized Septic Tanks... Period.
